## PRESIDENTS REPORT 2024 - ALISON CLARK

2024 has been an interesting year that started off quietly but saw plenty of changes with new members and INF/JNA rule changes. We had 22 teams an increase of 1 from last year with a large growth in our 7-10 year old age groups. The competition grading of the 11 – Opens is still proving to be challenging with the JNA competition having such a wide scope of abilities.

Our club grading went well with some very hot weather but we were able to get all players on court and it was great to see so many returning players and new faces. Where possible we kept teams to 9 players but 10 now seems to be the norm and a good thing too as many teams struggled with injury, sickness and general absence.

I took on the role of a JNA board member this year which is a 2 year commitment. It has been challenging and the board has tried to change a lot of old fines and improve the ability for clubs to field teams and improve member enjoyment. The quick changes have been hard to keep up with in the short term. Along with some new INF umpire rules allowing rolling subs and goals after the whistle it has kept us all on our toes.

This year 2 of our families have suffered tragic losses of family members. Our hearts go out to Debbie Whitehouse, daughter Jess Whitehouse and family on the tragic loss of beloved son and brother Jackson. Also to the Van Reenen family who lost their youngest daughter to cancer. I can't begin to imagine how you must all be feeling. In a sign of solidarity to both families we had teams wear black arm bands and blue arm bands to promote mental health awareness and the "Act, Belong, Commit" message.

Being involved in netball is a great way to improve our mental health and embodies the Act, Belong, Commit message. I hope you all find enjoyment when playing and engaging in netball, whether you are a Player, Coach, Manager or parent. This years booklet is dedicated to the human spirit that rises above adversity and thrives on love, hope and kindness.

Beaumaris Bardan (spirit) Netball Club.

**We hope you have all enjoyed the year as much as we have and on behalf of the 2024 committee, we hope to see you back in 2025.**

## DEVELOPMENT REPORT 2024 - LAUREN KERSHAW

Our 2024 season has been a great year for Beaumaris. This year we had a total of 22 teams. This being one more than last year shows a great consistency of players coming back to the club to develop.

As usual, grading was difficult, I would like to thank everyone that assisted me this year including the external graders. We appreciate them volunteering their time to help us.

We have had many players representing Beaumaris outside of the regular competition this year. This year we had 10 players represent the association at the Fuel to Go & Play Championships. With a 83% trial success rate. Well done to all the players and coaches involved. I encourage everyone who hasn't tried, has been unsuccessful or has represented to continue to get involved as all players develop at different rates and ages.

We've also had teams and players enter external association competitions such as the Warriors Cup at WDNA, Comet cup at Noranda Netball Association, Gin Gin carnival at South Midlands Netball Association and Belmont Cup at Belmont Netball Association.

Our U10 Tigers also had the opportunity to shine when they were invited to play at half time at a West Coast Fever game. They did a great job representing the club in skill and attitude.

Well done to all our coaches who have put so much time and effort into improving their teams skill and teamwork. I am so impressed by the quality of play that we have been able to put on the court this year. Without our volunteer coaches we would all not be here.

Finally, I would like to send a big thank you to all the committee and coaches who have assisted me this year and I would also like to wish everyone good luck in the finals.

Go Beaumaris!!

Sincerely  
Lauren Kershaw  
Development Coordinator (BNCnetballdevp@gmail.com)

## UMPIRE REPORT - ANDREW BOWNESS

### BEAUMARIS NETBALL CLUB UMPIRES FOR 2024

Isabelle Petit	Bethany Lee
Stevie Gill	Amelie Barnard
Rozy DeKlerk	Sarah Phipps
Hayley Bowness	Ariana Armason
Nicola Bowness	Jess Sivec
Viana Dibaeian	Caitlyn Davison

A big thank you to all our umpires for their service this season. It's a tough job and our very young team of umpires despite the weather, player skill, parent and coaches' expectations maintained a really positive attitude and commitment to their role and I am very grateful. Without you, we don't have Beaumaris matches.

Our pool of umpires was made up of mostly an inexperienced team where green shirt umpires carried the load on Saturdays. I sincerely hope they have enjoyed their experiences and are ready to progress their umpiring levels.

We had two of our green shirt umpires achieve their C-badge accreditation through the season and I congratulate Amelie Barnard and Nicola Bowness. Their willingness to learn and then apply it consistently over a period of weeks caught the eye of the JNA AUDO and once I applied for them to be formally assessed, he was happy to do so. Well done ladies.

Along the course of the season we had some challenges with illness, injury and holidays and I would like to acknowledge two of our senior players who are former club umpires for stepping up and filling the gap in our mini-emergencies. Thank you Sarah Tonkin and Caitlyn Davison.

With the pending spring season soon approaching, we have 5 new green shirt umpires undergoing training and I wish them all the best. Be resilient, professional and confident. Future umpires need to be 13 years old and submit an expression of interest to the umpire coordinator or club president.

Andrew Bowness (umpire coordinator)

**GREAT WORK LADIES AND THANKS AGAIN!**

## UMPIRE AWARD - SARAH PHIPPS

Our umpire of the year is awarded to a stalwart of our club who has been involved as a player and coach for many years now and joined our umpire team when she recognised the club's needs.

She offered strong mentorship to our junior umpires and was equally strong and resilient under pressure from players and coaches.

Her commitment to the rules of netball and appropriate application make her a standout for the Umpire of the Year Award.

## SPIRIT OF NETBALL - CHARLIE STONEHAM

Charlie is a very athletic player and has grown in her abilities every year. Even though Charlie didn't grade in team 1 this year, as she has done in previous years, it hasn't deterred her enthusiasm to play netball.

Charlie broke her wrist mid season and still comes to the games each week to cheer on her team. When Charlie gets knocked back, she doesn't dwell on it, she picks herself up, brushes herself off and works harder than before.

Charlie may not be the loudest person off the courts, but when netball is involved, she becomes this flourishing enthusiastic little gem! She loves encouraging not just her team, but any Beaumaris team from the sidelines on game day!

These attributes are what makes Charlie a great example of what the spirit of netball award is all about. It's being committed to your team and supporting the club in everything that you do.

Beaumaris is very proud to have such an excellent role model in our club, congratulations Charlie.

## CLUB CHAMPION - SOPHIE KERSHAW

Sophie has been with Beaumaris for 8 years since 2016 and is currently in Beaumaris' top Opens team. Sophie is a skilled player, who can play any position on the court, she has recently transitioned from a strong circle defence to an accurate shooter.

She has represented JNA for 6 years at the Fuel to Go, Play weekend and for 2 years in Metro League. She also represented WDNA in Div 1 opens in 2023 and would have done so for JNA this year if they had been able to field a team.

In addition, Sophie has assistant coached under 18s with sister Lauren and Mum Kylie from 2019-2023 and for the past 2 years has assisted the development officer with grading and administration work behind the scenes. Sophie has also assisted other clubs with their grading and selection nights. Sophie has been able to give some assistance to our younger NSG teams when coaches were struggling for ideas.

Sophie has done all this while studying a double degree in Law and Psychology at Curtin University and working part time as a Paralegal. Sophie is a strong player on the court and a strong leader and good example for younger players. Sophie always supports her team and other members of Beaumaris on and off the court. She is always there if someone needs to talk.

Sophie is a great representation of what we should want our Beaumaris players to become and look up to. She is a worthy recipient of the Club Champion award.

## JUNIOR ENCOURAGEMENT - LAILA COLIC

Laila has been with Beaumaris netball club since 2018 playing 100 games for our club and is the current U15A team captain.

She has played for JNA Jets in 2021 and made the Train on squad for the U14A team in 2023. Laila is a committed netball player keen to improve on her playing skills and will happily take on any playing position thrown at her.

In spring 2023 she decided to shadow Sarah with our u9 team to see if coaching would appeal to her. She joined this year as Assistant coach. Laila has risen to the challenge and on multiple occasions she has taken training alone and coached multiple games with out Sarah there.

Laila has really helped our up and coming shooter's fine tune their shooting technique, and has very quickly become someone our girls look up to. To the point we are now buying our girls the same clothes that she wears. Laila is an amazing role model to the young players.

Her passion for the game and ability to teach is something to admire at her age. We can't wait to see where the next few years take her.

# CLUB PERSON 2024 - SEQUOIA BURGESS

It's amazing the difference that one person can make to the running of our club and Sequoia is no exception. Since starting as our registrar in 2023, Sequoia has taken onboard all of the NSG team organisation and helped with the overall team registrations. Sequoia has gone above and beyond the role of a simple registrar which is surely one of the more demanding committee roles to have.

Sequoia has been present at player grading, even though her daughter is too young to attend and helps with every aspect of the running of the club.

Sequoia has used her experience as a team manager to pass on her knowledge to all of our new and existing managers. The game day vouchers were mostly sourced by Sequoia and she has ensured they were distributed evenly. Sequoia makes her self available at all Saturday games to answer questions from our team managers and give support where needed.

On a personal note from myself, the Club President, I couldn't have managed the past 2 years without her support of the registration setup and ongoing team management. Sequoia has the best interest of the club and its members, mostly our players, at heart and is always thinking of ways to help, whether it be the vouchers, fundraising or the end of season presentations. I hope to see Sequoia around the club for many years to come. Especially as she has 3 more young ladies who look to follow in big sisters footsteps.

Thank you for everything you do for the club.

**Congratulations Sequoia, 2024 Club Person of the year.**

## U8 BUMBLEBEES

**COACH: Kristin Payne**

**ASSISTANT COACH: Chelsea Blick**

**MANAGER: Lisa Barnes**

**MANAGER: Tegan Fernandes**

What a season! I have enjoyed every minute coaching these little bumblebees. I've loved watching them grow and develop an understanding of the game and sportsmanship that comes with that. A huge Thankyou to Lisa and Tegan our teams manageress' and my assistant coach Chelsea, for always being so organized for the girls giving me the chance to simply coach.

**Greta:** I've loved watching Greta blossom this year. Having an older sister in the team you can feel quite lost. However Greta has proven to herself through this season that she is super capable and an asset to our gorgeous team. We love her beautiful nature and hunger for the ball. Greta is so sweet, determined and excitable on court. You're amazing Greta x

**Ida:** The showstopper. Ida seems to be all over the court at all times. She has a very strong grasp of what the games entails and she puts that into play. Ida is a force on the court and loving friend off the court. We love you Ida x

**Charlie:** I've only been waiting my whole life to see if Charlie would 1. like netball and 2. be good at it. She managed to shock me with both. Charlie can be a shy little thing but shocked me with naturally ability to shoot and aggressively defend. Charlie is kind; easy to coach; and a fantastic team mate. Well done babe x

**Eva:** Eva reads the play very well and manages to implement the trick plays from training, straight into the game. Eva has managed some amazing goals this season which I think at times has even shocked herself! Her circle work is phenomenal as is her ability in centre court and defence. Eva is a superstar. You're amazing my love x

**Emmy:** I would say Emmy is our little dynamite player. So much fire in her tummy. Emmys defensive skills are far beyond NSG so I'm excited to keep following her progress. She's also an incredible shot. Emmy is a much loved member of our little team. Always caring for others and being helpful. Keep up the fantastic work doll x

**Olive:** Olive may be tiny but my gosh is she mighty. Olive seems to just pluck balls right out of the air. Her interceptions and ability to turn the play around to our advantage is amazing. Olive also listens so intently at training, then implements them on court. Olive is such a reliable and dependable player. A joy to coach. Well done darling x

**Harper:** I have loved watching Harper's progression this year. Harper came in very hesitant and shy. Sometimes she would get embarrassed if a minor mistake was made. Fast forward to now and my Harps is a different girl! Harpers passing and shooting are 100 times improved and is a valued member of our team. One thing I'm so proud of with Harper is her perseverance. Never did she quit, she just kept trying in all aspects, and I'm so proud of that. So proud of you chicken. X

**Azariah:** Such a beautiful quiet little dove. Although Azariah can be quite shy, she really loves to play the game. She listens well to instructions and immediately corrects them back on court. Azariah has come such a long way this season becoming so much more confident on court. Well done darling xx

**Olivia:** Olivia is a determined, competitive player on court. Absolutely shines in defence and never gives up. Olivia's balls skills have improved dramatically. She works extremely well in unison with her team mates. She has developed into a fantastic team player. I can't wait to see your growth going forward. Well done gorgeous x

## U8 STARFISH

**COACH:** Lucinda Ferguson

**MANAGER:** Mariolet Engelbrecht

**MANAGER:** Chloe Walton

Well done to my Starfish - what a wonderful season we've had! For many, it was the first time they'd played netball, and I am so proud of each of the girls. It feels like just yesterday that I had 10 little smiley faces standing there, bouncing balls and unable to catch.

Thank you to our Manager Mariolet, who has kept things running smoothly and ensured we have treats and the right bibs! Also a huge thank you to Kim, who not only convinced me to coach (best decision EVER!) but who has been in charge of our roster!

**Elsie Carter:** From repeatedly saying you can't do it and then proving yourself wrong each time, you have come on leaps and bounds and I am so proud of your perseverance. Our little but mighty Elsie – well done on your first netball season!

**Elsie Clarke:** Throughout the season you have shown growth and improvement. When focusing, you can pull on your skills which has resulted in strong passes and great space finding. Always lots of energy and up for a chat with the opposition – well done Elsie on a great season!

**Carrie:** You have actioned so many of the skills I have taught in training, and I am so proud when I see you executing moves that experienced netball players use. Using your height to your advantage has ensured you've kept other teams on their toes (literally!), not to mention scoring some great goals! Well done Carrie – I'm super proud of you!

**Camilla:** I've waited 7 years for you to play netball, and you have shone brightly since the moment you picked up that ball. You execute everything I have taught you with precision and can turn your hand to every position. Covered in sweat from playing so hard, I can always rely on you to give 110%. Well done on an amazing first season of netball – I can't wait to watch your netball career unfold.

**Maddie:** By golly did we miss you when you fractured your arm! Always coming to training with the happiest of smiles and a great energy, you have been an absolute pleasure to coach. As someone who has never played netball before, you have learnt so quickly and have become an excellent player. I'm excited to see your netball career continue – well done Maddie!

**Sabella:** Your sweet smile and positive energy is contagious, and I have loved coaching you! You are polite and attentive and can be relied upon to always try your best. You can turn your hand to any position with success! Our little pocket-rocket shooter – well done Sabella on an incredible season!

**Poppy:** Your defending will forever be my favourite version of you! Crazy, full of energy but also perfectly skilled – it sums you up to a T! We can always rely on you to give 100% energy, and seeing what you can achieve when you focus is so exciting! What a great season you've had – well done Poppy!

**Olivia:** An amazing introductory season to netball! Your passing and movement on court has improved significantly and it's wonderful to see you smiling throughout games. Keep trying your best – you're going to be a great player! Well done Olivia!

**Nina:** Always trying your best and persevering – both characteristics of a super player! Even when you get tired, you keep going! I'm excited to see your growth next season! Well done Nina!

**Evie:** It's a been a pleasure to see your skills improve this season. Coming to us with previous netball experience has meant you're always the first to volunteer in training. Lots of potential for a great netball career – well done Evie!

## U8 DOLPHINS

**COACH: Amanda McMinn**

**MANAGER: Sarah Coolican**

The under 8 dolphins formed this year for their first season. Many of our players are new to netball therefore it has been a season of building the foundation skills required for netball and team sports. The progression of skill and confidence built through the season has been fantastic to witness, with passing, movement of the ball and understanding of creating space on the court being areas of focus and improvement. Each player has played an important role, and each player brings something unique and special to the team.

**Nevina's:** Confidence and passing skills, as well as understanding of netball rules have grown exponentially through the season, she is a good teammate and friend to all and a valued member of the team.

**Sofia:** Was new to netball this season and has become and fantastic all-rounder on court who plays well in any position and is known for her lightning bolt passes.

**Ivy:** Has developed well as a player this season, she has shown increasing resilience through the season and awareness of the flow of play, she has also been a good teammate, playing even when feeling unwell and even came back from holidays with a special gift for her teammates.

**Lily M:** Is a player who always gives her best effort, she is another good all rounder on the team and excels in any position, she has also shown herself to be a leader on court, giving pointers to her teammates as well as encouragement.

**Olivia:** Has shown an impressive ability to understand and engage with concepts of strategy, her favorite position is goal shooter and she is the first to give a helping hand if a teammate is injured.

**Lily P:** Has fantastic endurance and speed on the court and is a great all-rounder both scoring goals and making fantastic interceptions, she is a player who always gives her best effort on court and is a great and fun team mate to all.

**Isla:** Is a pocket rocket who has the speed to escape her defenders and run into open space, her skill level and confidence has continued to improve through the season, and she always brings a big smile and positive attitude to training and games.

**Tamzyn:** Consistently has a positive attitude and enthusiasm, with this attitude she is a pleasure to coach and great team mate, she has shown herself to be strong shooter who strives to do her best.

**Aalyah:** Was a late but welcome addition to our Dolphins team, she has fantastic defensive skill and ability and has shown good skill in all positions, coming into the team late she has also absorbed understanding of the rules and game awareness very quickly.

We are very thankful to our assistant coach Hayley and are impressed with your dedication to the team. As well as the support from our parents, who also provide some fantastic post-game snacks, which are always something to look forward to as well as your support and encouragement. A very big thanks to our manager who is always on top of the schedule, communication and organisation. Thank you Dolphins for a fantastic and fun season.

## U9 JAGUARS

**COACH:** Kate Long

**MANAGER:** Clare Keoghan

***We are the Jaguars,  
Hear us roar,  
We are mighty,  
We're going to score!***

What an enjoyable season we have had! The girls have had a great time learning new skills and consolidating the basics of netball. They are starting to understand the finer points and learn some tactics that they will need as they progress further in their netball careers.

Thank you to our manager, Clare and all our parents for their encouragement and support throughout the season.

I want to thank all members of the U9 Jaguar team for their commitment to training and their team spirit, attitude and gamesmanship this season. It has been a pleasure to coach you all.

**Asha:** Asha's netball skills have continued to develop this year, she is very good at reading the play and supporting her team. She is always quick to follow the ball and ensure the team maintains possession. Whilst happier in defence she has proven a keen shooter this season.

**Cara:** Cara has had a great first netball season, she has been keen to learn and develop her skills and it has been lovely to see her grow and gain more confidence on the court. She is learning the different positions and loves to shoot.

**Ellie:** Ellie has gained confidence in her ability this year and her ball skills have improved throughout the season and her pass accuracy has really come along. She has also discovered she can shoot and has enjoyed some success in the goal circle.

**Indiana:** Indi is attentive and strives to do her best at all times, she is developing into a fantastic little defender, marking her playing and intercepting the ball and switching to attack quickly to get the ball back up the court.

**Ishi:** Ishi joined the team last spring, she has continued to develop this season with regular training. During games she has tried to use the skills she has learnt at training to get free and make space during games.

**Faye:** Faye's basic netball skills have really developed this year and she has more understanding of netball and adapts well to changes in the game. She is enthusiastic and gives her all in any position she plays.

**Maddie:** Maddie has worked hard this season, improving her ball skills and working on her court movement resulting in a few moments of excellent mid-court play during games.

**Rebecca:** Becca brings 100% to training every week, she is a dedicated team player and always keen to learn. She has continued to develop her skills and is a great all-rounder on the court.

**Izzy:** Izzy started the season but found it too hard to play both netball and soccer as well as train for state cross country. The team have missed her speed and intercepts but she supports her team mates every week from the sidelines.

## U9 LYNX

**Coach: Bec Leggett**

**Manager: Emma Lee**

Congratulations to the girls on a fantastic season. Having coached such gifted and committed young girls makes me feel fortunate and appreciative. I really hope that our season together is only the beginning. The progress they have all achieved in such a short period of time has made me incredibly proud of them. They all took up new drills and techniques quite rapidly and skilfully incorporated them into their gameplay. Their perseverance and good sportsmanship demonstrated their ability to succeed. Even though they were one of the youngest teams in the U9s, they were unstoppable and proved themselves!

Many thanks to Hannah and Emma for their assistance throughout training and on game days; without you two, I could not have done it! I can honestly state that I had the best assistant coach and manager. I also want to thank the parents and other relatives who helped the girls this season; your support was much appreciated.

**Emilie:** Emilie played her first season of netball and was incredible! She conquered every obstacle in her path and improved every week. Observing her progress was truly delightful and witnessing her innate netball skills translate onto the court made me extremely proud. She played every position and loved all of them, not to mention nailing them all as well!

**Charlie:** Charlie had an outstanding first half of the season controlling the midcourt with her perfectly timed runs and intercepts. Sadly, this was cut short by a broken wrist, however Charlie remained the true team player she is and still showed up to games to cheer on her team. Fantastic Charlie, here's to spring!

**Chloe:** This was also Chloe's first season with Beaumaris and what a confident season it has been. Chloe is never one to back down from a challenge and takes onboard instructions set to help and improve. Chloe has been a pleasure to coach this season. Great Season Chloe!

# U15 SCORCHERS

**COACH: Ingrid Bryant**

**MANAGER: Karren McCracken**

It's been a challenging season for team Scorchers, but amidst the setbacks, a core group of dedicated players has shone through. Despite being hampered by inconsistent attendance due to illness, injury and personal reasons, this core team have refused to give up. They've stayed committed to their team by attending regular training sessions and games. These girls have shown remarkable improvement, developed their skills and built a strong foundation for future success.

As the season draws to a close, the Scorchers can take pride in the fact that they've stuck together, even when the going got tough. With a renewed focus on fun and teamwork, they have already shown us their potential to bounce back stronger than ever for spring and next years season. Well done to our core team. You are to be congratulated on your perseverance, resilience and tireless efforts. You are a credit to your parents and to our club and I have loved turning up each week to see your beautiful smiling faces.

Finally, a special thankyou to our manager. Karen has been the glue that held our team together. We appreciate Karen's positivity and for her getting our team organised each game day. And to our parents, thankyou for supporting your daughters by getting them to training and to games every week. We've loved seeing you at the games cheering us on.

Coach Ingrid :)

**Sarina:** Quiet but determined. Sarina's speed and shooting accuracy has been a big positive for our team. She is starting to use her voice to demand the ball and it has been pleasing watching her confidence grow each game. Well done, Sarina!

**Esme: Captain :** Our smiling assassin, Es may be one of our shorter defenders but she certainly gets the job done. Her love to play is clearly obvious and often other coaches commented on her fabulous skills. Es always put in a big effort every game and we have appreciated her leadership. Thankyou, Esme!

**Eva:** An early injury to her hand saw Eva's season be interrupted. However, she's back and boy did we miss her. Eva has a great ability to get free, bring the ball down to the shooting circle and then finish off with a goal. Well done, Eva. Keep up the good work!

**Sienna:** Another one of our midcourt players, Sienna has worked hard this season and it has shown in her growing confidence on the court. She has worked hard to improve her foot-work and ball skills and we couldn't be more proud of her progress. Keep it up, Sienna!

**Gemma:** Another injured player saw Gemma not be able to train with us for months. Once healed and attending training, we certainly saw an improvement in her abilities. Gemma's passing and leads have gotten much stronger as has her determination to get and keep the ball. Well done, Gemma.

**Emmerson:** Em has been a valued player in our defence team. We have really appreciated her height in the circle and her natural ability to read a play and get an intercept has been wonderful to watch. Well done, Em.

**Ellie: (Coaches Award)** El has progressed this season into a lovely little player. Although she is one of our shorter teammates, El has really developed her attacking and ball skills to be the key player that links the mid court to the shooting circle. We certainly miss El when she is not on court. Thankyou Ellie for all of your hard work!

**Cheyney:** Cheyney is a wonderful defender, often turning the ball over for us in the goal circle and down the court, chasing and picking up loose balls. Cheyney's great sense of humour has seen her be the player that brings fun to every game and training session. We love you, Cheyney!

**Te-Meri: (Fairest & Best)** What a fantastic season, Te-Meri has had! Nicknamed 'Janelle' for obvious reasons, she used her height to her advantage. Te-Merie did a brilliant job in shooting and we loved watching her pull in those high balls passed to her and get those rebounds. You are amazing, Te!

**Raya:** Raya may have been a late addition to our team but she instantly fitted in with the rest of the girls. She's another one of our smaller midcourt players but that doesn't stop her. Raya always gives her best, even against players much bigger than her. We look forward to having her continue playing with us in spring.

## U15 HEAT

**COACH: Alison Clark**

**MANAGER: Suzanne Forward**

A big thankyou to our team manager, Suzanne for all your hard work and support. Also to my daughter, Caitlyn for being assistant coach and giving the team real player experience. Team Heat has been a pleasure to coach and I couldn't have asked for a nicer group of girls to work with. They all got along so well and we may have had more than our fair share of challenging games to play but they kept their heads up and focused on their own development.

**Makayla:** Our light and life of the team. Makayla always attends games and training with a smile on her face and a positive attitude. Her defense skills are improving all the time. Love your attitude sweetheart.

**Isla C:** Isla has had a quiet start to the season but in the last few weeks has shown her netball experience and really helps balance the team on court. Isla is an amazing WD and plays her game with control and patience.

**Isla E:** Our zippy WA who has good feeds into our shooters but has also started to perform well as a WD with her ability to clear the ball out of the defensive end.

**Lily:** Lily is a gutsy and determined player who works the shooting circle well and feeds to her fellow shooter.

**Zoe: (Fairest & Best)** Zoe rises to a challenge and will take on either a shooting or defensive role. Her strong attitude and strong body leaves the opposition with scrambling to shut her down.

**Logan: (Coaches Award)** We were short on defenders so I asked Logan if she would play as our GK/GD. Her height and long arms made her ideal for the role and she has taken on board all the skills training and implemented into her game. Thankyou for trusting me and taking on the role of a defender.

**Stevie:** I've seen the light and love of the game come back to Stevie since the beginning of the season. It's been wonderful to watch Stevie excel as a GS/GA and really enjoy herself again at games and training. Love your work Stevie.

**Jessica:** Jess has been amazing as a centre player, giving the team a balanced and controlled option at all times. I've loved how to help to control the pace of the game.

**Taylah:** Fiery is an understatement when it comes to Taylah. As one of our mid court players she fires up the team and challenges her opposition with quick leads and faster intercepts.

**Mia:** Mia is another player that I've had to put into defense as we were short on players with experience. She has risen to the challenge and her height and long arms has really helped with rebounds in the goal circle. Mia has great netball skills and knowledge and has been an excellent captain for the team. Her leadership and advise has been awesome. Thankyou Mia.

## U15 FLAMES

**COACH: Andrew Bowness.**

**MANAGER: Abbey Lee**

**Rozy:** Rozy is a very competent reliable circle defender. She has improved her timing and decision making when hunting the ball. She has also show great potential as a wing defender where she can use her athleticism to be real pest. I encourage her to develop these skills for the future.

**Ruby:** Ruby joined our club this year and had an immediate impact, combining well with our other two circle defenders. She has a great hold over the ball and fantastic reflexes for rebounds. Her ability to react quickly to defensive turnovers allowed the team to get onto attack and create real pressure on our opponents. She was also a member of the JETS u14A team.

**Amelie:** Amelie has great athleticism and speed which makes her very effective in setting up her opponent for interceptions. She applies constant pressure and has developed good self-discipline so as not to give away unnecessary penalties as a GD. This keeps her in the game for longer periods and the pressure along with the other two defenders accounts for many gains for the team. She was also a member of the JETS u14A team.

**Viana:** Viana's game has developed very well this season and I am really pleased with the way she received and applied the coaching she received. She learned how to create pressure and what it allowed her teammates to. She is tenacious and handles pressure really well which allows her to set a good standard for her teammates.

**Bethany: (Coaches Award)** Bethany has improved this season, building on her strengths from previous years. She has become more disciplined with her defensive effort and is therefore able to sustain pressure for longer periods. Her decision making and timing is a real asset to the team, bringing a calm unhurried game to the court.

**Sophie: (Fairest & Best)** Sophie is our vice-captain and has set a high standard for the girls to follow. She is athletic, tenacious and never seems to tire. These attributes along with great netball skills makes her a formidable opponent on attack and defence. She is learning how to control the game as a midcourt player and her connection with the goal circle is excellent.

**Hayley Bowness:** Hayley's out of circle work has improved and she has learned the importance it has on attack. Her shooting and circle movement has developed well over the season providing good service to both the other two shooters. A strength of Hayley is her ability to shut down defenders exiting their third with good dictating and denying space. She was also a member of the JETS u14A team.

**Jess Jones:** Jess has been a fantastic attacking player who has been plagued by injury this season. Her determination and grit through these challenges set a high standard for her younger teammates and her positive impact cannot be overstated. She is accurate and fast and connects well with whoever is in the circle with her. Her ability to adapt to game situations is part of our success. She was also a member of the JETS u16B team.

**Laila Colic:** Laila is our captain and I have been impressed with how she has lead the team during matches and at practices. She has been incredibly consistent in her accuracy and circle work and has defied many good defenders opposing her this season. She reads the game very well and always finds space to put the ball up. She has been a big part of our success this season and a positive influence on all the younger players.

# BADDIES

**COACH: Ingrid Bryant**

**MANAGER: Kiralee Davis**

The 'BADDIES' is the epitome of what it means to be a true TEAM. This group of players have the perfect blend of skill, determination and sportsmanship. Their positive attitude is infectious; they lift each other up and have created a supportive team culture that's a joy to be around. On court, they showcase impressive skills but it's their off-court camaraderie and encouragement that truly sets them apart. These players celebrate each other's successes, support each other through tough times and consistently demonstrate a growth mindset. With a focus on respect and fun, the 'Baddies' is a shining example of what netball is all about. Their dedication, passion, and love for the game have made them a true delight to coach.

They are a credit to their club and to the sport. Well done, ladies. I have enjoyed hanging out with you each week, even when it's been raining, and I loved reading what you wrote about each other. For whoever is reading this, below is what each player had to say about each other.

# ASSASSINS

**COACH: Alison Clark**

The team and I were really excited about this year's competition, knowing that we had a really strong team with depth and experience in all areas.

We have great wins and challenging loses where the margins have been minimal which has made for an exciting season. I'm so thrilled at how the team gelled and also challenged me as a coach.

**Caitlyn:** This was Caity's first year in the Opens div 1 team having played in the second team for the past 3 years. Her skills with ball placement to the shooters and her long drives in the mid court have seen her become a vital part of the team.

**Vienna: (Fairest & Best)** Wow! Another stellar year for this beautiful lady. Vienna always impresses anyone that watches with her intercepts and her fast feet in defense.

**Ashlyn:** We were all sad to have Ashlyn leave us for a 6 week period while she went over seas for study and work. Ashlyn was our moving shooter and balanced out our other 2 shooters nicely.

**Lauren:** Team Captain and amazing defender. Lauren is the lynch pin that keeps the team together and stays positive at all times. She is so strong in defense and knows her stuff!

**Sophie:** Last time I coached Sophie she was a defender but now, wow, what an awesome shooter. Her circle movement, ability to create and protect the space and shooting accuracy have made her a formidable shooter.

**Shauna:** Kaya Shauna and thankyou for joining us this year. Your composure in the shooting circle and accuracy has won us many games. You've worked well with your fellow shooters and the mid court were able to feed the ball to you with ease.

**Nicole: (Players Player)** Nic is so fast in the mid court and with a wealth of experience you've helped everyone on the team grow and improve their skills. I love listening to the quarter break chats where you break down what's going wrong and ways to improve the game. Thankyou Nic.

**Sarah:** I've loved being able to coach you this year and see you really shine on court. You're such a hard worker and amazing in any mid court position. Well done Sarah.

**Hattie:** In previous years when I wasn't your coach and just watching on the sidelines I've been so impressed by your skills on court. Now getting to coach you I'm still amazed and love the energy and intensity you bring to each game.

**Christine:** Loved having you in the team this year Chrissy and your presence has added another dimension to our defense unit. Your quick feet and ability to confuse the space around the shooter gains you many intercepts and your rebounds under goals is also impressive. I hope to coach you again next year.
